

February 9, 2021

DEADLINE: February 20, 2021

Dear International Board Members and TWHBEA Members:

Committee appointments will be made at our February 27, 2021 Executive Committee meeting. Serving on a committee incurs responsibility and commitment. It may also require attendance at meetings for business to be conducted. If you desire to work on one of the committees, please indicate your preference on the form below and return it to my attention at the TWHBEA headquarters. I will forward this information to the appropriate vice-president. Please be aware that it may or may not be possible to accommodate everyone on a committee, but the vice-presidents will appreciate and consider the information received.

If you wish to be considered for committee assignment, please return the form below to our office no later than February 20, 2021. You may mail or email the form to kcorbin@twhbea.com

Please indicate your first, second and third choice by placing a "1, 2, or 3" by the appropriate committee selections.
