

TWHBEA
National
FUTURITY

CLASS ENTRIES

As the Tennessee Walking Horse industry has grown, so have the number of divisions in which horses can compete. Recognizing this, TWHBEA and The Celebration have collaborated this year to make the TWHBEA National Futurity more inclusive than ever. By combining and merging classes into one comprehensive schedule, futurity-nominated horses can earn money in practically any division through their three-year-old season. This year's entries will be showing for a total purse that's almost double what it has been in recent years! The entries listed below are nominated for the TWHBEA National Futurity and entered in the designated Celebration classes; therefore, they are eligible to compete for futurity prize money.

WEDNESDAY MORNING, AUGUST 24, 2022, 9:00 AM
