

# TWHBEA International High Point Program 2022 Winners

The TWHBEA International High Point Program recognizes excellence in the show ring. It is awarded on both a regional and national level. It is currently divided into 9 total regions with 7 of those in the United States, 1 in Canada, and 1 in Europe. Each year the program starts on October 1st and runs through September 30th of the next year. There were 97 affiliated shows that participated in 2022. At the recent banquet in December, TWHBEA honored the overall winners in each category. Each overall horse and owner will be engraved on the corresponding trophy showcased at TWHBEA Headquarters.

It is not too late to affiliate shows for the 2023 International High Point Program. Please visit our website to affiliate your show at [www.twhbea.com](http://www.twhbea.com) or you may contact Jessica Osburn [jozburn@twhbea.com](mailto:jozburn@twhbea.com) for more information.
