Class 23: Precision Pattern Class

The precision pattern may be ridden English or Western, but not a combination of the two. Western must ride 1 handed, exception junior horses may ride two handed in a snaffle. All lead changes may be flying or simple.

1. Begin at Cone A
2. Alternate Leads beginning with the Left. Change Leads every 1/3 of the way to Cone B.
3. Perform 585 degree pivot to the Right.
4. Running Walk halfway between B and A as drawn.
5. Perform 405 degree pivot to the left.
6. Flatwalk to the middle point of the cones and pick up Right Lead.
7. Change Leads and begin a full circle to the Left.
8. Change leads and circle back around to Cone A.
9. Halt 5 seconds.
10. Back 10 steps.
11. Be Excused.

- Trail Walk
- Flat Walk
- - - Running Walk
