

Versatility Program New Yearly Award Achievement Levels

The TWHBEA Pleasure Horse Committee has approved new yearly award achievement levels for the Versatility program. The new awards include youth and adult "*honor roll*", youth and adult "*honor of merit*" and youth and adult "*register of merit*" and go into effect immediately. These awards may be earned each and every year. The horse and rider combination that has achieved these levels will receive an official TWHBEA certificate with the association seal and signed by the TWHBEA secretary.

The youth and adult "*Champion*", youth "*Superior*" and the adult "*Supreme*" award requirements remain the same as was announced effective January 1, 2010. The yearly "*top ten*" recognitions will also remain.
