iPEDS (Internet Pedigree System) is TWHBEA's member-only on-line registry system. All TWHBEA Memberships include standard access.

Standard

This is FREE to all current members and includes the names and registration numbers of over 500,000 horses contained in the TWHBEA registry system. Standard Access also allows members to verify the status of a horse's parentage verification.

Premium - \$60

This option is available to all current TWHBEA members for an annual fee of \$60.00. It offers everything in the Standard Access option, but also includes pedigrees, production records and show records. Add \$60 to your payment (TN residents add an additional \$5.55 for sales tax).

Premium Lifetime - \$1,125

This option is available to all current TWHBEA members for lifetime fee of **\$1125** (age 49 and below) (age 70+ \$650, age 60-69 \$850, age 50-59 \$1050). It offers everything in the Standard Access option, but also includes pedigrees, production records and show records.
