

INSTRUCTIONS

1 TWHBEA NATIONAL FUTURITY: Please check the box if you would like to nominate this foal. You will then need to call TWHBEA at (931) 359-1574 to make a Futurity payment.

2 NAME: Provide three name choices in block #2. Names are limited to 25 characters including spaces & apostrophes. Do not use the line for "office use."

3 BREEDING INFORMATION: Enter exact date of foaling. Enter date mare was bred.

3A Indication of the state in which a foal is born will allow records to be kept that could be used in states where awards are available through agricultural agencies. (Optional)

4 In block #4, indicate whether the animal to be registered is a stallion, mare or gelding.

5 BODY MARKINGS: In block #5 outline, with dark solid lines, all white markings of horse represented by this application, include markings on sides of head and chin. If there are no markings, check the box marked none.

6 COLOR: Choose **ONE** base body color. Then choose a dilution, and/or modifier, and/or pattern as applicable. If the animal is overo, sabino, tobiano, tobiano/sabino, or tovero you must submit photographs showing front, back, and both sides of the animal. *Example:* Base body color - Black, Modifier - Roan, Pattern - Sabino. May be applicable depending on animal.

7 FACE MARKINGS: Outline all white on face, lips and chin. Give written description as blaze, strip, star, snip or bald. If there are no markings, check the box marked none.

8 SIRE: Supply complete, accurate information! Carefully enter the registered name and number of the sire in block #8. Signature of stallion owner(s) at time of service is required. If using frozen semen,

the owner of the semen will be allowed to sign for the breeding provided he/she has filed a Retained Semen Disclosure Statement with TWHBEA.

9 DAM: Supply complete, accurate information! Carefully enter the registered name and number of the dam in block #9. Print the name (signature not required) of the dam owner at the time of service. Signature of mare owner(s) at foaling time is required. Then print name, address, phone number, and email of the dam owner at foaling time. *****If you were not the recorded owner of the dam at the time of foaling, you must also obtain a signed transfer report/bill of sale from the owner and submit it along with your application for registration.***

10 SHIP PARENTAGE VERIFICATION KIT TO: Print name and street address where parentage verification kit may be shipped, if different from applicant's address.

REGISTRATION REQUIREMENTS

Any person or persons who shall willfully register or record a false pedigree shall be forever barred from making further registrations and the registration of such false pedigree shall be canceled.

- Application for registration must be typed or in ink. This application becomes an important part of the records of the Association. Every care should be exercised in giving dates, markings, etc.
- All foals, in order to be registered, must be the progeny of a parentage verified, TWHBEA registered stallion and mare.
- All foals must be parentage verified before a certificate of registration will be issued.
- The recorded owner of the dam at time of foaling may transfer the unregistered foal by completing a Transfer Report/Bill of Sale. The appropriate fees (both transfer and registration) must accompany the registration application. To transfer an unregistered foal, leave block #1 on the Transfer Report/Bill Of Sale blank, but complete block #2 which asks for the year of foaling and the dam's registration number.
- Mailing responsibility: TWHBEA takes no responsibility for the certificates of registration once they are mailed to the owner. The person applying for transfer or registration is solely responsible for the accuracy of the mailing address. Certified mail or special delivery may be requested by the applicant at his or her expense.
